Preface

The Central Bank of India Manager Examination is conducted to recruit capable and skilled candidates for managerial positions in the banking sector. The examination evaluates a candidate's knowledge of banking concepts, computer awareness, and current economic and general awareness. A clear understanding of the syllabus and exam pattern is essential for effective preparation.

This book is designed to help aspirants prepare systematically for the examination by covering the important topics included in the official syllabus. It aims to provide a concise overview of banking regulations, financial systems, computer fundamentals, and current affairs related to the banking and economic environment. Understanding these areas will enable candidates to develop both conceptual clarity and practical awareness required for managerial roles in the banking industry.

With structured content and focused topics, this guide seeks to assist candidates in strengthening their preparation and improving their performance in the Central Bank of India Manager recruitment examination. Consistent practice, regular revision, and awareness of current developments in the financial sector will greatly enhance the chances of success

Grammar Fundamentals

Subject-Verb Agreement

To dive deep into Subject-Verb Agreement, we must look beyond the basic "singular/plural" rule and examine the complex scenarios where examiners often hide errors.

Here is a detailed breakdown of the advanced rules that frequently appear in Spotting Errors and Sentence Improvement tasks.

1. The Proximity Rule (The "Nearness" Logic)

When two subjects are joined by specific correlative conjunctions, the verb doesn't care about the first subject; it only looks at the one closest to it.

Connectors: Either... or, Neither... nor, Not only... but also, or just Or.

The Logic: Neither the director nor the actors are ready. (Actors is plural → 'are')

Neither the actors nor the director is ready. (Director is singular → 'is')

2. The "Prepositional Phrase" Trap

One of the most common tricks in competitive exams is "sandwiching" a long phrase between the subject and the verb to confuse you.

The Rule: Ignore everything inside the commas or after words like *of*, *with*, *along with*, *together with*, *as well as*, *including*, *in addition to*.

Detailed Example: *The level of tension among the various groups is rising.* The subject is "level" (singular), not "groups."

The level of tension among the various groups is rising.

The subject is "level" (singular), not "groups."

The "As Well As" Rule: *The Prime Minister, as well as his cabinet ministers, has arrived.*

Because "as well as" is used, the verb agrees only with the Prime Minister.

The Prime Minister, as well as his cabinet ministers, has arrived.

Because "as well as" is used, the verb agrees only with the Prime Minister.

3. The "Each" and "Every" Absolute

In English grammar, Each and Every are mathematically treated as "1". No matter how many people follow them, the verb remains singular.

Compound Subjects: *Each boy and each girl has (not have) been given a book.*

The "One of" Structure: This is a high-frequency exam question. *One of my friends is a doctor.*

Logic: You are talking about *one* person out of a plural group.

4. Collective Nouns: One Body vs. Divided Members

Words like *Committee*, *Jury*, *Team*, *Family*, *Audience*, *Government* can take either a singular or plural verb depending on the action.

Multiple Choice Questions.

Final Mastery Set

1. The results of the recognition of the newly formed state _____ yet to be seen.

(A) is

(B) are

(C) was

(D) has

Answer: (B) are

Explanation: The main subject is "results" (plural). The phrases "of the recognition" and "of
